Our Mission

Daily hardship and financial struggle are a constant reality for millions of students in Bangladesh. Guiding these students away from a life of poverty, destitution, violence and other means of acquiring a living can be achieved simply by investing in their education.

CBET is a registered Charity organization with Canada Revenue Agency (CRA) that supports financially challenged students in Bangladesh and Canada with sound academic records, to help improve their socio-economic status.

CBET strives to give scholarships to College students in all the 450 sub-districts in Bangladesh and colleges in Canada.

We aim to make a difference in the lives of those who are not fortunate

enough to continue their education due to financial struggle.

By aiding them financially, we strive to help them establish themselves in society and be able to contribute to the country with their earned skills and knowledge.

About CBET

CBET was established as a registered non-profit organization in August 2012 by the Bangladeshi Canadian community living in the Ottawa-Gatineau area.

On January 1, 2014, CBET became a registered Canadian charity organization, and is the only Bangladeshi Canadian registered charity devoted to work in education.

Its objective is to advance education by providing publicly available scholarships and educational tools to post-secondary students and educational institutes in Bangladesh and Canada.

CBET awards scholarship via a scholarship committee in each education institute and also holds an award ceremony and sends a report by scholarship committee of each selected educational institute to CBET Ottawa.
